

***The II Scientific and Practical International Distance Conference
«MICROBIOLOGICAL AND IMMUNOLOGICAL
RESEARCH IN MODERN MEDICINE»,
Kharkiv, March 24, 2022***

**NATIONAL UNIVERSITY OF
PHARMACY**

**DEPARTMENT OF
MICROBIOLOGY, VIROLOGY
AND IMMUNOLOGY**

***The II Scientific and Practical International Distance Conference
«MICROBIOLOGICAL AND IMMUNOLOGICAL RESEARCH IN MODERN MEDICINE»
Kharkiv, March 24, 2022***

(registration certificate № 893 of the Ukrainian Institute of Scientific and Technical Expertise and Information dated November, 08, 2021)

Organizing committee of the conference

Chairman of the Organizing Committee:

Alla Kotvitska – Rector of National University of Pharmacy, Doctor of Pharmaceutical Sciences, Professor, Honoured Worker of Sciences and Technology of Ukraine;

Co-chairs of the Organizing Committee:

Andriy Fedosov – Doctor of Pharmaceutical Sciences, Associate Professor, First Vice-Rector for Research and Teaching at the National University of Pharmacy;

Inna Vladimirova – Doctor of Pharmaceutical Sciences, Professor, Vice-Rector for Research and Teaching of the National University of Pharmacy, Professor of Pharmacognosy;

Natalia Filimonova – Doctor of Medical Sciences, Professor, Head of the Department of Microbiology, Virology and Immunology of National University of Pharmacy;

Members of the Organizing Committee

Iryna Tishchenko – Associate Professor of Microbiology, Virology and Immunology, National University of Pharmacy, PhD of Biological Sciences, Member of the Organizing Committee;

Natalia Dubinina – Associate Professor of Microbiology, Virology and Immunology, National University of Pharmacy, PhD of Medical Sciences;

Olga Shapovalova – Associate Professor of Microbiology, Virology and Immunology, National University of Pharmacy, PhD of Biological Sciences;

Olga Geyderikh – Associate Professor of Microbiology, Virology and Immunology, National University of Pharmacy, PhD of Medical Sciences;

Executive secretaryies

Olena Koshova – Associate Professor of Microbiology, Virology and Immunology, National University of Pharmacy, PhD of Pharmaceutical Sciences;

Olena Shakun – Associate Professor of Microbiology, Virology and Immunology, National University of Pharmacy, PhD of Medical Sciences.

**The II Scientific and Practical International Distance Conference
«MICROBIOLOGICAL AND IMMUNOLOGICAL
RESEARCH IN MODERN MEDICINE»,
Kharkiv, March 24, 2022**

Dear colleagues!

The Organizing Committee invites you to take part in the work
***II Scientific and Practical International Distance Conference
"MICROBIOLOGICAL AND IMMUNOLOGICAL RESEARCH IN MODERN MEDICINE",
will be held on March 24, 2022 in Kharkiv.***

The main scientific areas of the conference:

1. Current issues of medical and pharmaceutical microbiology.
2. Prospects for the creation of antimicrobial drugs and their use in medical practice.
3. Antibiotic resistance of microorganisms and ways to overcome it.
4. Clinical pathophysiology of infectious diseases.
5. Epidemiology of infectious diseases in modern conditions.
6. Clinical immunology and allergology.
7. Immunological, virological, molecular genetic research in laboratory diagnostics.
8. Correction of immunopathological conditions: a modern view.
9. Prospects for the creation of immunobiological drugs.
10. Modern biotechnology.
11. Microbiological aspects of phytopathology.
12. Pharmacological correction of infectious pathology, preclinical studies.
13. Pharmaceutical burns when using antimicrobial drugs.
14. The role of the pharmacist (clinical pharmacist) in ensuring the rational use of medicines.
15. Optimization of technological processes of creating drugs for chemotherapy and chemoprophylaxis of infectious diseases.
16. Genetics of microorganisms.
17. Questions of teaching microbiology, virology and immunology.
18. Sanitary microbiology.
19. Current issues of veterinary microbiology.
20. Information technology and automation of research on the development of antimicrobial drugs.
21. Marketing research of the modern pharmaceutical market of chemotherapeutic drugs.

CONFERENCE INFORMATION

Target audience: Students, masters, post-graduate students, doctoral candidates, teachers and scientists, medical and pharmaceutical specialists are invited to participate in the conference.

Conference working languages: Ukrainian, English, Russian.

The conference includes: oral presentations using the Zoom video conferencing platform. The unified resource locator, ID and password will be placed in the conference program.

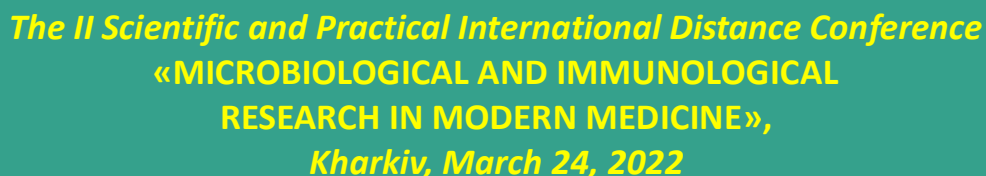

Form of the event: remote.

To participate in the conference you need to register by March 20, 2022 and send the conference materials to the link: <https://forms.gle/jYDp31rx9KJsNz28A>

Deadline for submission of materials: March 20, 2022 (inclusive).

After April 9, 2021, the electronic version of the collection of materials, conference program and presentations of speakers will be available for download on the website of the Department of Microbiology, Virology and Immunology of NUPh:
<https://microbiology.nuph.edu.ua/?p=3597&preview=true>

All conference participants are provided with a collection of abstracts, program and certificate of participation in the event (5 hours) in electronic form.

Welcome to take part in our conference!
